

Casablanca Ragdolls Sales Contract

- I (the breeder/seller) guarantee that this kitten is in good health at the time of sale.
- This kitten is NOT to have any contact with any other animal(s) in the buyers household until examined by a vet. Buyer will have 72 hours, beginning at the time of sale to have the kitten examined by a vet, and a copy of the vet invoice MUST be returned to me the breeder. In the event that the kitten is found to have a life-threatening illness, the buyer may return the kitten within 72 hours in exchange for a kitten of equal value and color if one is available, or when a new one becomes available. Failure to have the kitten examined by a vet within the first 72 hours of sale, or allowing contact with other animals before vet examination, will negate this health guarantee and render this section of the contract void.
- Should the kitten die within the first year of life due to an inherited genetic disease, the buyer must inform the breeder/seller and provide a necropsy from a certified veterinarian . Vet charges will not be covered it is the responsibility of the owner. Breeder/seller will then replace said kitten with one of equal quality when one becomes available as long as I am still breeding. No cash money will be returned.
- If said kitten contracts FIP within the first year of life and buyer has treated the kitten quickly through FIP Warriors lifesaving medication for duration prescribed by FIP Warriors and the kitten still dies then kitten will be replaced with kitten of equal quality when one becomes available. Proof must be provided that kitten was treated, protocol followed and still died.
- Administration of the FELV or FIV vaccine will immediately render this guarantee void.
- A deposit is required to hold any kitten and the deposit will go towards full purchase price. The deposit is non-refundable. Final payment is due 5 business days before kitten goes home if paying by Venmo (friends only) or Cash app. Or cash only at pick up.
- I agree to meet up to 1 hour from my home near Evant, TX free of charge schedule permitting. If paying by cash it will be when my husband is able to accompany me. Due to his work schedule it will be Monday through Thursday or I will meet on the weekend if kitten is paid for already by appointment. I have run into some sticky situations and this is for my safety.

Kitten Care Policy

- This kitten should NEVER roam freely outdoors.
- This kitten is not to be de-clawed.
- The Buyer agrees to the kitten being vaccinated with “killed virus” or “modified live-virus” and will not have the FVRCP and Rabies completed at the same time, as death may occur. The Seller is not responsible for any adverse reactions the kitten might have with future vaccines. The Seller wants each kitten to be given to forever homes, prohibiting kittens from being sold to pet stores, leased to another owner, given to laboratory for research or given to breeding mills or any other related facilities.
- In the event that the buyer can no longer care for this kitten for any reason, it is required to notify me (breeder, seller). I agree to help re-home the kitten or should I agree to take said kitten/cat back, NO REFUNDS OR COMPENSATION will be made to the buyer. Should I agree to accept kitten/cat back, the kitten must be examined by a licensed vet within a week before the agreed return date and also test negative for the following: FELV/FIV and any internal parasites. The buyer MUST provide all documentation from the vet. These test and precautions are for the safety and health of my other cats.
- Any disputes or claims shall be brought to the state of Texas, and reinstating of venue will not be allowed in any other state than Texas. Any claims will be held in Lampasas County Courthouse. Buyer will be responsible for all costs and legal fees for himself or herself, as well as the breeder/sellers.
